The Hillside Coin Club Membership list is kept confidential

IN THE LOUPE

as 'eye' see it

By Kevin M, President

First and foremost, I would like to thank my President in charge of Vice, Bob H, for running the meetings in my absence. Thanks, also, to all the members who have pitched in to pick up the slack. I can tell you all that I would love to be able to join with you for our 400th meeting, but only time will tell if that will be possible.

I'm happy to hear that the member auction went well, and I understand a huge THANK YOU is appropriate for our Auctioneer, Hal E. and his equally able assistants, Sharon B. and Bob F.

Our 400th meeting is coming up and we will have extra special desserts. We will also be taking pictures to update our Facebook page and our Website. Come with your best smiles!

Finally, thanks to all of you who kept me in your thoughts during this difficult time. It is gratifying to have so many friends that I can associate with.

Hope to see you soon!!!

Kevin

Minutes of the meeting on August 3, 2015:

Our 399th consecutive meeting was called to order at 7:15 PM by our vice-president, Bob H., who led us in the Pledge of Allegiance. There were 25 members and 1 guest in attendance.

OLD BUSINESS:

Our treasurer, Bob F., gave the financial report (balance of \$ 986 with \$ 169 earmarked for the wooden nickel), which was accepted. The minutes in the last newsletter were accepted after Bob F. called our attention to some typos on the article that he furnished.

NEW BUSINESS:

As Labor Day is always the first Monday, we will meet on September 14. Building availability has been confirmed. It was also reported that Merrill Drake's family received \$ 100 from member donations. Finally, the new tri-fold brochure was unveiled and some were distributed, which precipitated lively discussion on ways to utilize it.

BREAK FOR SNACKS:

SHOW AND TELL:

Keith L. talked about opportunities to collect foreign currency. Attractive designs abound and prices are reasonable, too.

John F. went into the way-back machine to come up with some old books about gold coins. He also shared a copy of a "Black Book" from 1966,

Sharon B. continued the discussion about foreign currency with some polymer notes and book, plus some other really colorful notes.

Bob F. brought in a selection of 8 counterfeit and/or replica coins. He called it the cost of education and encouraged everybody to continue to study so they don't repeat his moves.

Mike B. updated us on his search for National Park quarters from pocket change, and reported that he found his first coin from 2015. Keep up the pursuit, Mike!

We would encourage any of you who may have something of interest to your fellow club members to bring it with you to a future meeting and share it.
