IN THE LOUPE

as 'eye' see it

By Jim Maurer, Secretary

This may or may not be the last newsletter I am able to do. I would like to replace myself as your secretary. We finally got to learn about crypto-currencies from our resident expert, Elliott K. Although bitcoin is by far the most well-known, there are many others to choose from. This is an area that is definitely NOT for the faint of heart. It seems to me that it is very speculative, but to the victor go the spoils. As they say, "buy the book before the coins." In this case, there is no coin! Just a notation on somebody's computer if I understand it correctly, which I probably don't.

Please replace me!!!!!!

This just in... "Bob Feiler and our hobby of Coin Collecting will be featured in a Chicago Tribune story appearing this Sunday May 27th in the Arts and Entertainment Section. The story is authored by noted journalist Rick Kogan".

MINUTES of our meeting on May 7, 2018:

Our 432nd consecutive meeting was called to order at 7:03 pm by our president, Bob H, who led us in the Pledge of Allegiance. There was a good turnout of members for the meeting. There was no treasurer's report in the newsletter, because there was no newsletter (see my plea above). However, our treasurer did bring us up to date. As of May 8, new balance is \$ 2143.64

OLD BUSINESS:

A report was given by a few members about the CSNS show. By all reports it was a positive experience.

NEW BUSINESS:

Bob F encouraged us to get our reservations (this means checks) in for the July 2 picnic. **IT WILL BE AT 6:00 PM!!!!!!!!** If you show up a 7:00 you *might* get dessert. **IT WILL BE AT 6:00 PM!!!!** [Correction]"**Bob also reminded us that the price has gone up this year to \$ 12 paid in advance or \$17 at the picnic. Youngsters 12 and under are \$6 in advance and \$ 10 at the Picnic**".

DID I MENTION IT WILL BE AT 6:00 PM ????????
