I regret that I couldn't be with you last night to hear Bob H's presentation on Kennedy half dollars. I would have like to have been there, since Denise and I collect Kennedy halves together. One of our favorite items is the 50th anniversary set container 4 different silver coins in an impressive display box. Here is a list of the contents:

The silver set will include four half dollars: a reverse proof struck at the West Point Mint that exhibits mirrored devices and frosted fields (the opposite of a regular proof coin); a proof coin struck at the Philadelphia Mint with frosted devices and mirrored fields; an enhanced uncirculated coin from the San Francisco Mint that uses differing degrees of laser frosting to achieve an appearance that so far has only appeared on the 2013-S American Silver Eagle that was part of the 2013 San Francisco Mint two-coin American Silver Eagle set; and an uncirculated coin from the Denver Mint.

The original cost from the mint was \$ 99.99

PRESENTATIONS SCHEDULED FOR THE REST OF 2018 ARE AS FOLLOWS:

NOVEMBER: COLLECTING KEY AND SEMI-KEY COINS by Elliott K.
