## **Program**

Our program was presented by club member Bob F. "From Soup to Nuts" Bob shared with us some of the more reasonable numismatic items that can be collected. Items included A Campbell Soup cardboard coin holder and a nut used to house a string of small photos from a World's Fair as well as reproductions, replicas and re-strikes of coins and currency. Bob also shared ancient and early coinage along with foreign coins. Items ranged from the interesting and fun to just plain pretty. Bob also had several items that he passed around for sharing allowing members to take one for their own collection. Thank you for sharing, Bob.
